Where to buy school uniform

Branded school uniform items can be purchased from our suppliers, **Broadwater Sports and McGregors Uniform**.

For everyday uniform items, such as plain polo shirts, trousers, skirts and other basic essentials, supermarkets and high-street shops can also be a good, affordable option. This can help families keep costs down while ensuring children have everything they need for school.

School Uniform Support and Financial Assistance

We understand that the cost of school uniform and other school expenses can sometimes be challenging for families. We want to make sure that all our pupils have access to the uniform they need and that families know where they can find support.

Families who are eligible and registered for Income-Related Pupil Premium may be entitled to school uniform vouchers to use at Broadwater Sports and McGregors Uniform.

Depending on your circumstances and the support available, we may also be able to help with the cost of school trips and other school-related expenses.

If your family is on a lower income and you have not yet registered with us, please contact the Main Office to find out more about eligibility and how to apply.

You may qualify if your family income is below £16,190 and/or you receive certain income-related benefits, such as Income Support, income-based Jobseeker's Allowance, income-related Employment and Support Allowance, or Child Tax Credit (provided you are not entitled to Working Tax Credit).We are here to help. Please contact our friendly Main Office team if you have any questions or would like advice about the support available. We are always happy to help families explore their options.
